

An Affordable Way to Make a Big Impact

If there's one thing we can count on in life, it's change.

Life's constant changes can make it difficult to balance caring for your family and supporting the organizations you care about. **Fortunately, there's a solution.** Instead of giving a fixed amount to the SIH Foundation, consider gifting a percentage of your estate, retirement account, life insurance policy or donor advised fund.

Percentage Giving and Your Will

If you want to remember the SIH Foundation in your will, there are two ways you can support our mission with a percentage gift:

- » Gift the SIH Foundation a percentage of your estate in your will or living trust.
- » Leave the SIH Foundation a percentage of your residual estate (the portion of your estate that remains after all claims of the estate are settled).

Give the SIH Foundation a Percentage of Other Assets

You can also remember us in your future plans by naming the SIH Foundation as a beneficiary of your retirement plan assets, life insurance or donor advised fund. Naming us as a beneficiary is as easy as filling out and returning a piece of paper.

- » Request a copy of the change-of-beneficiary form from your provider (or download a copy from their website).
- » Fill out the form, naming the SIH Foundation, along with the percentage you'd like us to receive, and return to your plan administrator, insurance company or sponsoring organization. Be sure to keep a copy for your records.
- » Notify the SIH Foundation of your gift with the **Statement of Intent form** found on our website so we can thank you for your support and welcome you to our Legacy Society.

Every Gift Matters

Gifts of all sizes, from 1 to 100 percent, make a difference for those we serve. For more information about naming the SIH Foundation as a beneficiary in your plans, call **618.457.5200 ext. 67843**, email sihfoundation@sih.net, or visit our website at www.sih.net/plannedgiving.
