

CURRENT COVID-19 Guidance - last updated October 7, 2020

Guidelines for SCREENING In Person

- Patients with no boxes checked should take 2. completed Screening Form to registration.
- 3. If any one symptom box is checked, call House Supervisor.
- 4. House Supervisor reviews screening for clinical accuracy. Patients who have a negative COVID-19 test result within the past 72 hrs can proceed with symptoms ONLY if verified by House Supervisor.
- If House Supervisor verifies symptoms and 5. patient has had no COVID test in past 72 hrs, provide patient an instruction card to call Hotline.
- Send positive Screening Form to 6. registration for scanning.

- Write legal name & temperature on Patient Screening Form.
- 2. Hand screening form to patient and direct them to registration.
- 3. **REGISTRATION:** Complete Patient Screening Form and scan to encounter.
- 4. If NO fever or symptoms are present, patient proceeds through visit.
- 5. If patient has any symptom box checked: Reschedule following Patient Appointment Criteria guidelines and/or add patient to Virtual Visit for COVID assessment (per provider preference).

- 1. Take visitor temperature.
- 2. If temperature is below threshold, follow Visitor Screening Guidelines to verify visitor is allowed to enter.
