

Please notify us if you have new symptoms or risks,
and do not report for work until cleared by Occupational Health:

- Cough or shortness of breath
- Vomiting or diarrhea in the last **48** hours
- Fever over **100°F** within the last **72** hours,
with or without the use of medication (Must also pass a daily screening)
- Or at least TWO of the following symptoms, new in the last 7 days
without explanation: **sore throat, headache, loss of taste/smell,
fatigue; muscle ache/pain; nausea; abdominal pain; chills; repeated
shaking with chills; nasal congestion; runny nose**
- **Unprotected contact** for more than 15 minutes and less than 6 feet,
or direct contact with secretions, with a person confirmed positive for
Covid-19 within the past **14** days

Executive Order 2020-38

As part of Restore Illinois Phase 3, activities must follow proper safety precautions, including masking and social distancing. If you experience symptoms after travel or social interaction, please report your concerns.
