## SmartPhrase for Virtual Visit Communication Visits – ASAP ED

### Try It Out – Patient at Same Facility as Provider

1. Access the My Notes activity, and Create a note by selecting “My Note”

2. At the TOP of the note template, enter the SmartPhrase “.telehealthonsite.”

3. Continue to document the ED provider note as you normally would, then Sign the note.

The screenshot shows the 'Edit Note' window in Epic EMR. At the top, it says 'My Note' and 'ED Provider Notes'. There are tabs for 'HPI', 'ROS', 'Physical Exam', and 'MDM'. The 'Service' field is empty, and the 'Date of Service' is set to 3/20/2020 at 1222. A 'Cosign Required' checkbox is unchecked. A rich text editor toolbar is visible with options like Bold, Italic, Underline, and 'Insert SmartText'. The main text area contains the following content:

- A blue star icon followed by the text: "I conducted this by telecommunication technology while on site at the same facility location of the patient."
- A section header "HPI" with a document icon.
- A section header "Chief Complaint" with the text "Patient presents with" and a bullet point "• Neuro Problem".
- A section header "HPI".
- A section header "Signed Nursing Notes" with the text "Craig Hitchens 6/7/2019 14:58".
- The text "TEST!!!!!!!!!!!!!!!!!!!!!!".
- A section header "Patient History" with the following text:
  - No past medical history on file.
  - No past medical history pertinent negatives.
  - No past surgical history on file.
  - No family history on file.

At the bottom of the window, there are three buttons: 'Share', 'Sign' (highlighted with a blue box), and 'Cancel'.
